

# CR800ENT SEMI-RECUMBENT BIKE

## FEATURES

15.6" Touchscreen

Screen Mirroring

Built-in Apps

USB Charging Port

The CR800ENT Recumbent Bike is the perfect bike for the commercial environment. Designed on the solid CR800 platform, the CR800ENT incorporates touchscreen technology on a large 15.6" entertainment display. Users can screen mirror from their phone so they can watch whatever they want. Pre-loaded apps also give users the ability to stay entertained with popular streaming content. The step-through design makes it easy for your clients to get on the bike while the easy-adjust seat allows them to find the most comfortable position.

## FEATURES

- Large 15.6" touchscreen with screen mirroring and streaming/music apps
- Contact, 5KHz, and Bluetooth heart rate options to help keep clients in their effective training zone (chest strap sold separately)
- 3 different workout display modes give users a variety of workout feedback
- Oversized foot pedals with fast latching system
- High density foam seat for extra comfort during a long ride
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers
- Adjustable cooling fan and USB charging port enhances the user's experience

**SPIRIT**®

Tablet-friendly reading rack

Adjustable fan angle

Easy-touch control buttons

USB charging port

3.5mm headphone audio jack

**SCREEN MIRRORING** Using the same Wi-Fi connection as the treadmill, the user can mirror their phone's screen to the console – now you can watch whatever you want!

**DISPLAY** The system provides 3 different viewing modes (Stats, Charts, Track) to fine tune your workout experience.

**SETTINGS** The console is fully configurable with in-depth console settings. Customize workout information, perform diagnostics and maintenance, change default language, update software, and more.

# CR800ENT
