

# CUI0000ENT UPRIGHT BIKE

## FEATURES

- TFT TOUCHSCREEN
- SCREEN MIRRORING
- BUILT-IN APPS
- USB CHARGING PORT

\*Built-in apps subject to change without notice.

The CU1000ENT Upright Bike presents three workout display modes for rider engagement. The oversized 1" crankaxle and heavy-duty roller bearings provide a smooth ride and reliable longevity. An impressive 15.6" TFT crystal clear, touch sensitive screen is designed to be user-centric and intuitive. Loaded with entertainment options from preprogrammed apps to mirror casting from your device to direct connection with HDMI. Engaging and entertaining, this upright bike also features commercial-grade pedals, cranks and bearings to provide outstanding function and durability.

## CUI0000ENT UPRIGHT BIKE

- 15.6" touchscreen with screen mirroring, streaming, and music apps
- Tablet design with a minimalist appearance and an intuitive layout for easy navigation
- Extra wide, 8 groove poly-v belt, spring loaded idler for reduced belt tension for longer belt and bearing life
- Quick adjust seat easily slides to accommodate users of various heights
- Easy in and out ratcheting pedals with 2-degree pedal inversion for a comfortable workout
