

F760 HIP SLED

BODYCRAFT

LEG DAY JUST GOT BETTER

Your leg muscles are the strongest and toughest muscles in your body. The BODYCRAFT F760 Linear Bearing Leg Press / Hack Squat was designed with that in mind. From the heavy gauge steel, to the industrial grade linear bearings, this machine is built to withstand the toughest workouts.

TRAIN FROM EVERY ANGLE

The adjustable upper foot plate can be set to five angles, ranging from 7 to 135 degrees. This allows users to customize their workout by targeting specific muscle groups at varying degrees of difficulty, enhancing versatility and accommodating different fitness levels and goals.

MAX IT OUT

Featuring long weight plate holders on each side, capable of holding up to nine 1.75-inch plates. This design allows for ample loading, customization of resistance, and accommodates varying strength levels for effective and progressive workouts.

CORRECT FORM MATTERS

Our Lower Footplate is Gas Assisted & Features 5 Different Adjustment Angles and a Lumbar Support Pad Which Flips Up on a Hinge for Hack Squat. The Adjustments Allow the User to Correctly Position Themselves for Either Leg Press, Hack Squats, or Calf Raises. Learn more at BODYCRAFT.com
