SDP(size) Rubber Round Dumbbells

Body-Solid's SDP Rubber Round Dumbbells are an ideal fit for any residential or commercial application. The solid steel handle features a comfortable medium knurl for a secure grip no matter the movement. The rounded dumbbell head is coated in quality virgin rubber, helping to minimize overall space required and offer unparalleled durability. The end weights are iron, cast with a through hole. The machined chromed handle fits through the hole and is then welded to the end weight. The handle also features chrome-plating which resists chipping, flaking, peeling and corrosion. The final step is to over-mold the rubber onto the end weights.

Special Features

- Perfect for residential, commercial and vertical market environments
- Chrome handles resist chipping, flaking, peeling and corrosion
- Comfortable medium knurled handle
- Easy-to-read weight designations are embossed on each dumbbell
- Handles are 6" (I.D.)
- Available in 5, 10, 15, 20, 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85, 90, 95 and 100 pound sizes
