Optional Extended Handrails

XT285 TREADMILL

Elevate your workout with the new XT285. This treadmill is beyond the basics with a spacious 20" x 60" deck, a bright blue backlit LCD display with all performance-oriented metrics, and direct speed and incline buttons that are great for interval training. The handlebar-mounted speed and incline controls, bluetooth capabilities, pulse grips, and a variety of pre-programmed courses and customizable training options keep you motivated and working out longer. The numerous safety and convenience features including child lock, safety key, deck lift assist, slow deploy and optional extended handrails go beyond the competition.

FEATURES

- 7.5" bright blue backlit LCD with built-in USB charging port
- Built-in Bluetooth connects to apps, audio, and heart rate accessories
- Remote handlebar controls for quick changes on-the-go
- Spacious 20" x 60" Deck with Lift Assist for easy storage
- Superior 3.25HP PowerMax Motor protected by lifetime warranty
