

# XBR25 RECUMBENT BIKE

Considered our entry level semi-recumbent bike, the XBR25 includes a variety of no-frills features that will keep you on the path towards peak performance. With a bright 7.5" backlit LCD display, you will stay engaged and informed while keeping track of the metrics you care about most. A variety of preset programs, including a goal-oriented Time, Calories, and Distance Series, keep you motivated throughout your workout, and convenient handlebar pulse sensors ensure you stay in your zone. Stay comfortable throughout the duration of your workout with dual water bottle holders, a tablet-friendly reading rack, and an adjustable mesh-back seat.
